

AGRO POWER

Application guide

Edition 1/2012

Hightechmaschinen erfordern Hightechantriebstechnik

Die Firma Optibelt stellt – basierend auf mittlerweile weit über hundert Jahren Erfahrung in der Kautschukverarbeitung– seit 1948 Antriebs-riemen in den Unterschiedlichsten Varianten her. Ständige Investitionen in Materialforschung und Produktionstechnik sowie wachsende Kenntnisse über die mit den verschiedenen Einsatzfeldern verbundenen Randbedingungen haben dazu geführt, dass durch die Weiterentwicklung des Riemens zum Hightechantriebselement die Leistungsgrenzen der Maschinen immer weiter verschoben werden konnten.

OPTIBELT AGRO POWER Qualitätsriemen aus dem Hause Optibelt

Größer, schneller, weiter – außergewöhnliche Spitzenleistungen faszinieren die Menschen in allen Bereichen der Technik. Immer wieder überschreiten Ingenieure, Wissenschaftler und Forscher die Grenzen des Machbaren.

Doch was gibt uns den Ansporn, etwas Einzigartiges zu entwickeln? Weshalb wollen wir stets ein Stück weiter sein als der Wettbewerb? Die Motivation liegt in der Leidenschaft und Präzision.

Markenprodukte von Optibelt sind für Sie ein aktiver Investitionsschutz. Gerade weil unsere Antriebsriemen in Ihrem Produkt unsichtbar bleiben, legen wir das hinein, was woanders oft fehlt: Verantwortung und Qualität.

Mit unseren Top-Produkten, der Optibelt AGRO POWER Serie, setzen wir weltweit Tag für Tag neue Zeichen und sorgen dafür, dass die beste Lösung für die jeweilige Anwendung zum Einsatz kommt. Überall auf der Welt.

Leidenschaft
trifft
Präzision

Wie wir uns antreiben

Größer, schneller, weiter – außergewöhnliche Spitzenleistungen faszinieren die Menschen in allen Bereichen der Technik. Von der Antike bis heute – immer wieder überschreiten Ingenieure, Wissenschaftler und Forscher die Grenzen des Machbaren.

Doch was gibt uns den Ansporn, etwas Einzigartiges zu entwickeln? Weshalb wollen wir stets ein Stück weiter sein als der Wettbewerb? Die Motivation liegt in der Leidenschaft. Sie hilft uns auf der Suche nach dem besten Ergebnis und lässt uns niemals aufgeben.

Auch Optibelt zeichnet sich durch diese Leidenschaft für Technik aus. Jeder Mitarbeiter tritt mit seinem Spezialwissen, seiner Begeisterungsfähigkeit, seinen Visionen und seinen Initiativen für technologischen Fortschritt auf höchstem Niveau ein. Darauf können Sie sich verlassen!

Keine Maschinen ohne Antriebstechnik. Wollte man sich die moderne Welt ohne Antriebstechnik vorstellen, bliebe nicht viel übrig, was funktioniert. Maschinen sind ohne sie undenkbar. Die Antriebstechnik sorgt dafür, dass die Primärenergie des Motors für diverse Arbeitsprozesse umgewandelt und nutzbar gemacht wird.

Dabei kommt es darauf an, dass die Motorleistung mithilfe der Funktions-elemente an den Prozess angepasst wird. Allen voran gehört der Riemen als zentrales und Wirksamstes Element dazu. Bei vergleichsweise geringen Kosten und niedrigem Wartungsbedarf überbrücken Riemen nahezu beliebige Wellen-abstände. Diese Aufgabe bewältigen sie ohne Schmierung oder Führungselemente. Damit ist die Antriebstechnik mit Riemen beispielsweise Rollenketten-antrieben oder Stirnradstufen weit überlegen. Die vielseitige Einsetzbarkeit, ihre Anpassungsfähigkeit und Wirtschaftlichkeit machen sie bis heute in allen Branchen zu einem wesentlichen Bestandteil der Maschinenteknik.

Wie wir unsere Unternehmenswerte pflegen

Optibelt genießt international ein hohes Ansehen und steht für exzellente Markenqualität – made in Germany.

Dieses Prädikat ist nicht zuletzt darauf zurückzuführen, dass wir als familiengeführtes Unternehmen bis heute an unsere Wurzeln in Höxter und damit an den Standort Deutschland glauben. Zugleich ist die Firmengeschichte von Optibelt mit bahnbrechenden technischen Entwicklungen verknüpft: von der Industrialisierung bis zur automatisierten Welt. Jedem dieser Meilensteine hat sich Optibelt vorausschauend und mit Pioniergeist gestellt.

Dieses Zusammenspiel von Tradition und Innovationsbereitschaft kennzeichnet die Kernwerte unseres Unternehmens. Seit inzwischen über 135 Jahren. Unsere Unternehmensphilosophie tragen wir auch als modernes Unternehmen weiter: in unseren internationalen Vertriebsgesellschaften sowie Produktions- und Dienstleistungsfirmen. Dabei spielen Aus- und Weiterbildung eine Schlüsselrolle für die konstante Qualität, die Sie von unseren Produkten erwarten dürfen. Ihr Vorteil: Wir gehen weit über den Wettbewerbsstandard hinaus und erfüllen Anforderungen wie Just-in-time-Produktion, On-Stock-Verfügbarkeit, Kundennähe, Betreuung und Flexibilität mit Leichtigkeit und Engagement. Denn Ihr Antrieb ist unser Ansporn!
